Beskrivelse

Just arrived at our place

22m3 Micodan Compactor Box - Model: MK5 - 35T - 5.5KW with the following external dimensions:
Length 6460 + 150 (Hook tower) + 70 (Hinge) = 6680 mm x Height 2350 + 150 (Vange) = 2500 mm

The box has a built-in hydraulic station, which means that it can only be used stationary using a power socket
The pressing function using force sockets has been tested and found to be fully functional

NB: Bottom needs rep, as seen in the pictures, possibly a few door plates can do it - The box is priced from this
