NEW XL APPROVED EKERI BOOK TRAILER!

Brand new Ekeri Box trailer with openable door side.

Here, a full door side is opened in less than 1 minute, and closed at the same time. The trailer here is top-of-the-line, and we've neglected safety in the form of remote-controlled central locking, XL approval and much more!

The trailer is internally equipped with tie rows, Ekeri lashing profile in the floor. Clamping rail in the roof for tensioning straps, so that the goods can be easily lashed down after loading, interior LED lighting.

Chassis painted in Red RAL 3002, Box in white RAL9010. Feel free to contact us for more info, or get an offer for a trailer customized for you!
