### Beskrivelse

Project sale that requires completion

Volvo F89 6x2 4600 mm axle distance

Rust in the driver's cab has been repaired and completely painted - the undercarriage has also been partially renovated and subsequently sandblasted and completely painted

Dismantled parts are included that have not been installed after the cab has been completed externally

The inside of the cab needs some padding, etc. depending on needs and patina

Only serious inquiries to +45 24982148 Remi Nikolajsen
