Beskrivelse

Model S6524 Environmental-Art container 6500 mm - 24m3 (year 2013)

Interior dimensions of the container: L6500 x W2350 x H1500 mm - external total length 6800 mm - volume 24m3

Closed front compartment of L 1000 x W 2350 x H 2400 mm with top-hung partition that can be opened with locks at the bottom from the left side + side entry
the remaining 5450 mm is open section + 50 mm - approx. 19m3 on open section + 5 m3 in closed front compartment, total 24 m3
It is possible to cut the front compartment completely away or simply remove the partition wall to the front compartment (see photos among the other items shown)

Side door on the left side - Side-hung rear doors - External lashing bar on each side

It is also possible to buy the same container as shown in the other photos with the following specification:

In very good condition, with fine bottom + beams

Note: Currently only for hook lift - Wire cups and wire hooks on the long beams can be purchased

More pieces in stock
