Beskrivelse

Brand new Pendel DC container flatbed

Interior dimensions: Length 5980 x Height 1000 x Width 2475 mm - external total length 6360 mm - 1000 mm front bulkhead - volume 14.8 m³

Note that the pendel flatbed has an external total width of 2600 mm - thus has an internal width of 2475 mm - can also be used with a ship container

The front bulkhead has an opening of 500 mm on the left side so it is easier to see into the flatbed from the ground

Pendel opening on the entire left side which can go to partially vertical

Right side with manual side opening to vertical which is retrofitted with auxiliary springs which makes it easier to open / close the side

Piston rods are placed approx. 200 mm from the front bulkhead and 200 mm from the rear post

1000 mm anodized aluminum. sides

1100 mm raised tailgate which is both top-hung / swingable to the right

350 mm air-operated automatic tailgate

INP 200 mm long beam

160 mm side rollers

5650 mm in stop dimension - can be adjusted as needed

Option to also purchase a new Scania R590 8x4*4 with front-mounted HMF 2820K5 crane and wire hoist for this load
