Beskrivelse

model ML7000 machine bed for wire hoist

Interior dimensions: L 7000 mm x H: 1300 mm front end x W: 2550 mm

Manufactured in a lightweight construction for easier transport of straw, among other things

Iron bed bottom - sidewall spacing - lashing options under the bed edge

Long sidewalls bend slightly on the rear 2000 mm on the left side - but lie down on the container rollers when there is a load of straw

We also have new open beds in stronger versions of 6000, 6200, 6500 and 7000 mm internal lengths in stock - use search terms: ML or MLX

See more machine-related transport units on our website www.scanvo.dk or our new www.scanconcontainers.dk

Always more than 80 to 100 pcs. new and used containers
