Beskrivelse

SMIT 1-axle exhibition/office trailer - previous use Mammography/hospital trailer

See sketch for dimensions of the rooms under the photos

- Heating can be adjusted individually in 3 zones
- Air conditioning system
- Entrance + 4 rooms (see photo of sketch for dimensions)
- External width approx. 3,200mm

The structure itself is self-supporting, and can therefore be removed if desired.

The chassis underneath has a standard width of 2,550 mm.

The structure is locked in place using "container locks"

The trailer generally appears in very good condition, and is easy to furnish/convert according to your own wishes.

Office trailer, teaching trailer, mobile home - the possibilities are many!
