Beskrivelse

Kelberg Model D651V 3-axle drop-deck trailer

Internal deck length: 13,600 mm (4,350 mm on the raised front section / "gooseneck" area, 9,150 mm on the main lower deck); internal width: 2,470 mm; deck height: 900 mm.

Omega-profile hardwood flooring with steel reinforcements; includes holes in the side rails and along the center for stanchions. The deck is in excellent condition (see photos).
Storage box for stanchions located under the deck.
600 mm aluminum side boards with Kinnegrip-style locking posts.
Rear mounting points for loading ramps; additional mounting points at the front raised section.
Extendable marker boards (for wide loads) at the front and rear.
Lashing points: 2 x 2 on the front raised section (gooseneck) + 2 x 6 distributed along the side rails.

SAF axles, drum brakes, air suspension, and raise/lower valves.
LED taillights.

In very good condition—well above average for its model year—featuring a red chassis. Delivered with a valid inspection (MOT) until November 2, 2026.

Gross vehicle weight: 42,000 kg; payload capacity: 37,490 kg; kingpin load: 18,000 kg.
